Summary

Computer Engineering undergraduate skilled in software development, UI/UX design, and cloud technologies. Experienced in ERP systems, scalable web apps, and hackathon projects. Strong balance of technical expertise, creative direction, and teamwork.

Education

B.Tech, Computer Engineering — Matoshri College of Engineering & Research Centre, Nashik (2024–2028)

Current CGPA: 8.1

Skills

Languages	Python, C#, SQL, JavaScript, TypeScript, HTML, CSS
Frameworks	React, Tailwind CSS, .NET, Node.js, Avalonia UI
Databases	MySQL
Tools	Git/GitHub, Google Cloud Platform (GCP), Vercel, Figma, Photoshop, Premiere Pro
Soft Skills	Leadership, Problem Solving, Public Speaking, Teamwork

Experience

ERP Software Developer Intern — Praktan Technologies (Oct 2024 – Present)

- Built **User Management** & **Purchase Handling** modules for ERP (C#, MySQL, Avalonia UI).
- Implemented **role-based authentication** & **gRPC** services for secure, scalable workflows.
- Improved ERP performance by **25%** with optimized reactive UI components.

UI/UX & Backend Developer — NEON GENESIS (Hackathon Team) (Oct 2024 – Present)

- Designed **responsive UIs** and developed backend logic for hackathon apps.
- Key Projects: **BrainBuddy** (AI learning app) & **Neon Genesis Portfolio Website**.
- Presented at inter-college & national hackathons, earning innovation recognition.

Projects

- **BrainBuddy (AI Learning App):** Personalized study paths with AI; built using React + Tailwind CSS.
- **ERP User Management Module:** Secure role assignment & multi-step form workflows.
- **Team Portfolio Website:** Interactive showcase for hackathon projects, deployed via GitHub Pages.

Achievements & Certifications

- **Google Cloud Facilitator Program (2025):** IAM, VMs, Cloud Storage labs.
- **Hackathon Recognition:** NEON GENESIS team, national competitions.

Extracurriculars & Volunteering

- **Creative Lead — MTEC:** Directed branding & media for college tech events.
- **Media Marketing — E-Cell, MCOERC:** Managed campaigns, boosted participation by 40%.
